Jessica Chastain, Jeremy Strong roast each other after box office clash

NEWS WIRE
LOS ANGELES

Jessica Chastain and Jeremy Strong had some "hysterical" message exchanges. Jessica is starring in the new horror film Other Mommy which earned almost 27.5 million at the US box office during its opening weekend, while Jeremy's latest release The Social Reckoning gained 5.5 million. Following the box office battle, the longtime friends had some lighthearted message exchange in which

they teased each other about their films' performances. The screenshot of the chat was shared by Jessica on Monday, October 12, on her Instagram, in which the actress forwarded a headline to Jeremy that stated, "Other Mommy Spanks The Social Reckoning at the Box Office." Jeremy replied by saying, "Omg." "These pics are hysterical," Jessica joked about the pictures published alongside the headline. While Mark Kuerberg portrayed added, "It's so funny."

King Charles, senior royals warned about Meghan Markle, Prince Harry 'revenge'

NEWS WIRE
LONDON

Angela Levin, a royal expert and major critic of Meghan Markle and Prince Harry, has warned King Charles and other senior royals regarding the royal couple's 'revenge' ahead of their first joint engagement in UK. Taking to X, formerly Twitter handle, Angela said, "Their behaviour is to punish the King and all the Royals. They must have spent months enjoying their preparation for their revenge." She was reacting to Nile Gardiner remarks he made on Meghan and Harry's first engagement. Harry and his wife will on Thursday carry

out their first joint engagement since returning to live in the UK

In August. The Duke and Duchess will visit Nottingham in

central England, the city where they made their first joint appearance after announcing their engagement in 2017, the Sunday Times reported. The visit signalled the couple's "determination to be viewed as public figures", the report said. According to AFP, that resolve is at odds with a letter last month in which King Charles made it clear that their position was "akin to private citizens" rather than public figures and that they should not be addressed as his and her royal highness. They are expected to visit projects at three charities that support young people and local communities through music, film, sport and tackling food poverty, the report said.

Breaking Bad actor RJ Mitte dies aged 34

NEWS WIRE
LOS ANGELES

US actor RJ Mitte, best known for his role as the defiant son of drug kingpin Walter White in the drama series Breaking Bad, has died at the age of 34. "It is with profound sadness that we share the tragic passing of beloved actor, philanthropist, and passionate disability rights advocate RJ Mitte," his representative told the BBC. Mitte died in Brownsville, Texas, on Monday. The actor, who had cerebral palsy, drew on his own experience for his role as Walter 'Flynn' White Jr in the Emmy-winning drama series. Bryan Cranston, who played his father,

led the tributes, writing that he was in "deep despair" following the news. Cranston played a high school chemistry teacher who turned to a life of crime to support his family after a cancer diagnosis. "I met him when he was only 14 years old when he was cast as Walter White Jr, a part he played with such joy and enthusiasm," said Cranston. "That kid was pretty raw when we started shooting the pilot in Feb of 2007, but little by little we watched him grow into a really fine actor." Cranston praised Mitte's advocacy for performers with disabilities, and noted that he never allowed his cerebral palsy to "be an excuse for anything".
